

become a mystery shopper

BOTANIC INNS LIMITED

Do you think you could be a mystery shopper and supply honest feedback on our pubs and restaurants?

At Botanic Inns we are proud of our commitment to excellent standards in customer service. We are looking for keen eyed individuals to help us ensure that we are offering our customers the best possible experience. If you enjoy eating out and socialising and recognise both good and bad service when you see it then you could be just the kind of person that we need. Botanic Inns want to recruit a mix of people (over 18) as mystery shoppers, to visit our outlets and give us feedback on what we are doing

right and more importantly, what we might be able to do better! No experience is necessary to become a mystery shopper for us, just go to www.botanicinns.com, click on the mystery shopper link and fill in the online application and we will be in contact to arrange to meet up. Once we know you are the kind of person we need then we will ask you every now and then to visit one of our outlets for a drink, a bite to eat or both - and we will pay you to tell us about your experience!
